16 The parties attended a case management conference on December 17, 2010 without  
17 submitting a proposed case management schedule. At the conference, the Court ordered the  
18 parties to submit a stipulation by separate filing. On December 22, 2010, the Court received the  
19 parties' joint stipulation re case management dates and finds it lacking.

The Court holds its pretrial conference no less than three weeks prior to the  
commencement of trial. The parties' submission allows for only one week. Requirements and  
deadlines for pretrial submissions are extensively explicated in the undersigned's standing order  
for trial and pretrial conferences in civil cases. The parties' submission disregards the Court's  
standing orders requirements and deadlines. The Court holds its law and motion calendar on  
Fridays at 9:00 a.m. The parties' submission requests the date of November 21, 2011, which is  
a Monday.
